

## ALLACHER's Knirpse ...klein aber oho!

Small but powerful, our fruit wine minitures are presented in 0.2 l bottles. These are available in strawberry, peach and cherry varieties. In the production, we pay attention to the high quality of the raw materials to produce the best fruit wines. The miniatures are not only available in a pack of 12, but also in our "Knirpse-Box", which is suitable as an ideal gift, for tasting or special souvenir.
